

CRAWFORD COUNTY LIBRARY Policy Manual

MISSION STATEMENT

The mission of the Crawford County Library System is to be a resource and facilitator for intellectual and cultural growth, and lifelong learning for all patrons.

“Where A River of Knowledge Awaits”

We agree with the American Library Association who opposes libraries restricting access to materials and services, and holds that parents who would rather their children not have access to certain materials should so advise them.

ADOPTED: December 9, 2004 (Replaces Policy No. 001 adopted October 10, 2000)
REVIEWED: April 8, 2021
AMENDED: April 8, 2021
